

Form for registration of departure abroad

Someone who, in a period of a year, expects to stay outside The Netherlands for at least eight months, is obliged, within five days before his or her departure, to do a registration of departure at the council where he or she has been registered in the basic accounts in accordance to article 68 of the Law GBA.

This form is suitable for the passing of a removal abroad (emigration). With this form you can state whether you move alone or with your husband/wife, registered partner and/or children. You can also state on this form whether persons of full age move with you (for example the full age partner with whom you are not married nor contracted a legal registered partnership). These persons need to append their signature on the registration form with which they authorize the declarant to fill in the form on behalf of them.
